Authorized Signatory

For more information on D&B ratings, please refer to the D&B rating description in the report.

The D&B Rating shall be read with the Rating Report on the subject issued by D&B. Ratings are based on the judgment of D&B, using a set of criteria developed for that purpose.

All Information contained in the D&B Rating report is obtained by D&B from the rated subject and third party sources and is believed to be accurate and reliable. Although reasonable care has been taken to ensure that the information in the Rating Report is true, such information is provided 'as is' without any warranty of any kind and D&B, in particular, makes no representation or warranty, express or implied, as to accuracy, timeliness or completeness of any such information.
